

## TECHNICAL INFORMATION FOR 89 AND 82 PROFILES

Doors with the 89 profile come without any handle. The aluminum profile is identical on all sides.

Profile 89 door

The door with the 82 profile comes with a handle. The aluminum profile is identical on three other sides, as the 89 shown above. The fourth side has the handle (see picture below).

### IMPORTANT NOTE :

If the hinges side is perpendicular to the handle the minimal distance between the edge of the door and the center of the hole will be 4in instead of 3in.

Note: Pricing for an 82 profile with handle is already preset. There is no need to recalculate.
